## Between the Lines

A publication of The Baylor Line Foundation

### Kicking it off....

*It's been a very busy couple of months for The Baylor Line Foundation, formerly the Baylor Alumni Association. We held a huge fundraiser called Onward! that brought together more than 300 members of the Baylor family. We called for greater transparency around the recommendations made by Pepper Hamilton. We introduced you to a number of different alumni. We rolled out a new small-donation initiative called Beacons that enables members of the Baylor family to recognize friends. We've also added a few new discounts – one after the Baylor Bookstore decided to end our longtime discount – and we just announced a 50% increase in the amount of Legacy Scholarships that we're awarding this year. Thanks to all of our members who donated to that program! You can read about all those things – and more – by clicking on the links to our blog just below.*

*Perhaps most important, we're offering our members a chance to provide their thoughts on where Baylor goes from here...on how it can restore its good name and strengthen its mission of educating men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community. You can [comment on our website \(link\)](#) or send your thoughts directly to [BaylorLine@BaylorAlumniAssociation.com](mailto:BaylorLine@BaylorAlumniAssociation.com). The deadline for submissions is August 5, and you need to provide your full name, year of graduation, and hometown.*

We're in the midst of making the transition from the Baylor Alumni Association name to The Baylor Line Foundation. Please be patient and look forward to next week when we unveil our new logo and mission statement. You'll see references to both the BLF and BAA for the next few months as we redesign our website and update our marketing collateral and communications. We apologize for any confusion in the meantime.

We're looking for your story ideas! If you are (or you know) a Baylor alum or faculty member who has achieved a milestone, celebrated a special anniversary, passed away, or is working on something really interesting, please let us know by [clicking here on our Story Ideas form](#).
